

INSTALLATION TERMS & CONDITIONS

We at AmeriFab International thrive to provide best customer service, products and installation of goods. For us to provide our customers with best possible service we need customer to read and understand our installation terms and conditions.

1. Installation for window treatments will be scheduled after receiving a written authorization from the customer.
2. Installation crew will require minimum of 20 rooms per floor per day. If installation crew has to sit idle due to unavailability of rooms, additional time charges of \$50/hour will apply.
3. Complimentary accommodation on double occupancy basis for installation crew to be arranged or provided at customer's expense. Failing to provide accommodation will result in additional charges.
4. Additional trip charges will NOT apply due to error/ incompletions or partial installs in products or services provided by AmeriFab International.
5. Responsible person will be required to do a complete walk through and sign a completion certificate (Available with installation leader) upon successful completion of installation. On signing the completion certificate, customer fully understands and accepts the work is complete. Any additional trips resulting in fixing/ replacing or repairing products/Services supplied by AmeriFab post signing the completion certificate will result in additional trip charges.
6. Installation crew is required to work from 9:00AM to 4:00PM local standard time unless otherwise discussed.
7. All products required for installation are generally shipped using common carriers from our manufacturing facility located at High Point, NC. AmeriFab International will make their best effort to deliver the products to the property. Customer is responsible to unload and store the merchandise in safe location. In no situation shall AmeriFab International or crew hired by AmeriFab International be liable for any loss or damages arising from unloading or storage of merchandise.
8. All trip charges are calculated based on 75¢/Mile. Total miles are calculated based on roundtrip distance.
